* Registration & Technology Fee must be paid to guarantee registration

In an effort to make Catholic Education more affordable and available to the community, as of the 2020-21 school year, all St. Robert Elementary students will receive the parish subsidy. Please support St. Robert Parish and the Guardian Angel Fund for tuition assistance. Our best advertising is word of mouth, so please invite new families to come for a tour.

Thank you for entrusting us with your child's education and faith formation!
