

**2021-2022 SCHOOL YEAR**

Research has proven that uniforms and dress codes lessen peer pressure, promote a spirit of unity, and promote safety. They also promote a learning environment focused on educational achievement and good citizenship. Through a collaborative effort, we have revised the dress code to create a more unified appearance throughout the school. The refined dress code outlined below will be enforced into the immediate future and will not include a preferred supplier.

Colors and options are listed below. Please note that Angel’s Attic is also available and stocked with gently-used dress code clothing for purchase by school families to help defer some of the cost (All items are \$1).

**Please be advised that the SRS Dress Code will be strictly enforced.** Violators will be issued a violation slip and must be returned to teacher the next school day. After three violations, the parent will be notified and an after-school detention may be issued.
