

OCTOBER LUNCH MENU

Our food supplier is currently dealing with the shortages that are occurring across the country. We will not be able to put out a full month of menu items at this time since we won't know what will be available more than 3-4 days in advance.

Going forward, we will send home this progressive menu any time new menu items are added.

The email that will come from the office will be titled "*Menu Update (date)*".

We will also post this progressive menu on the school website. It'll be posted in the Food Service section under the Departments tab.
